

Senior Portrait Session

With Diana McPherson Photography

Thank you for choosing me to take your senior portraits. This is an exciting step in your life but may also be slightly intimidating. I'm here to let you know what you can expect from me and our working together so you can relax, be yourself, and have a great time.

Meet, Greet & Plan Appointment

I like to get to know you and your expectations at this meet and greet. For the time being, I will do these virtually via Skype, Facetime, Facebook, or Zoom. We'll discuss your ideas for location, poses, and outfits, and book your photo session during this time.

Here are some location ideas:

- ~ Downtown or Uptown
- ~ Columbia Park
- ~ Badger Mountain Park
- ~ Chamna Natural Preserve
- ~ Library
- ~ Botanical garden
- ~ Leslie Grove Park
- ~ Columbia/Yakima River
- ~ Your backyard

These are just some suggestions. I'm open to other locations. With one exception - no railroad tracks. They are just not safe.

Outfit suggestions - you'll want to wear your personal favorite. Plan for two to three outfits and keep them simple. Stay away from bold patterns and white.

Feeling a little intimidated because your skin isn't cooperating? No worries. I can remove blemishes in a flash. Please don't allow those pesky blemishes to hold you back.

This is the time to be creative and let your unique personality shine. What are your hobbies and/or passions? We'll work those elements into your images. Some suggestions include a hat, musical instrument, classic car, sports equipment, or a letterman jacket.

The Photo Session

Before your session, make sure you are fully rested, hydrated and have eaten a small meal.

We'll spend 2 hours at the decided location. You can plan for 2-3 outfit changes. The shoots can be scheduled morning or late afternoon. You're welcome to bring your parent or a friend to tell jokes to help keep you relaxed. Only one person, please, so we can continue to more easily practice social distancing.

Would you like to have a picture with your parent or friend? We can take a few shots together at the end of your session.

Ladies, if you would like to have your hair styled and makeup done prior to your session, I suggest Encore Salon (on Gage). This is a 90 minute appointment which can be scheduled prior to an afternoon photo session. This can be booked directly with Encore Salon.

Guys, I recommend Steadfast Barbershop at Uptown Richland and Talk of the Town Barbershop across from CBC in Pasco.

Wear your normal hairstyle. **Please don't get a new haircut/style within a week of your session.**

Selection Appointment

Images will be lightly edited and ready for review 3-5 days after your session. We will meet virtually to review and select images for your image package. I offer a Junior Varsity or Varsity image package as well as additional wall decor options. Selected images will receive final editing and will be sent out for printing. Once they're received and I have reviewed them, they will be ready for pickup or delivery. This will take about 2-3 weeks to get the final images.
